

PLANT INVESTIGATORS

OUTDOOR LEARNING WORKSHOP

EYFS, KS1 & KS2

EYFS AND KS1

Investigate plants, identify where they are growing and what they look like. Find your leaf buddy and using tree ID sheets, can you find your plant? Create leaf/flower prints (hapezome) to bring patterns and plants to life from your local environment.

This one hour workshop can either be extended to two hours by adding additional activities or two classes can have the workshop in a half day session.

KS1 & KS2

Investigate plants in your space, using ID sheets. Use a hand lens to look closely at the different parts of a flower. Explore the part that flowers play in the life cycle of flowering plants including pollination and investigate how many invertebrates visit plants. This is a two hour workshop.

PRICING

Half day (1 x 2 hour session) = £225

Full day (2 x 2 hour session) = £350
